

Principal: Laurie Munro

Dear

There is less than a week now until we will be welcoming everyone back to school and we are really looking forward to seeing you.

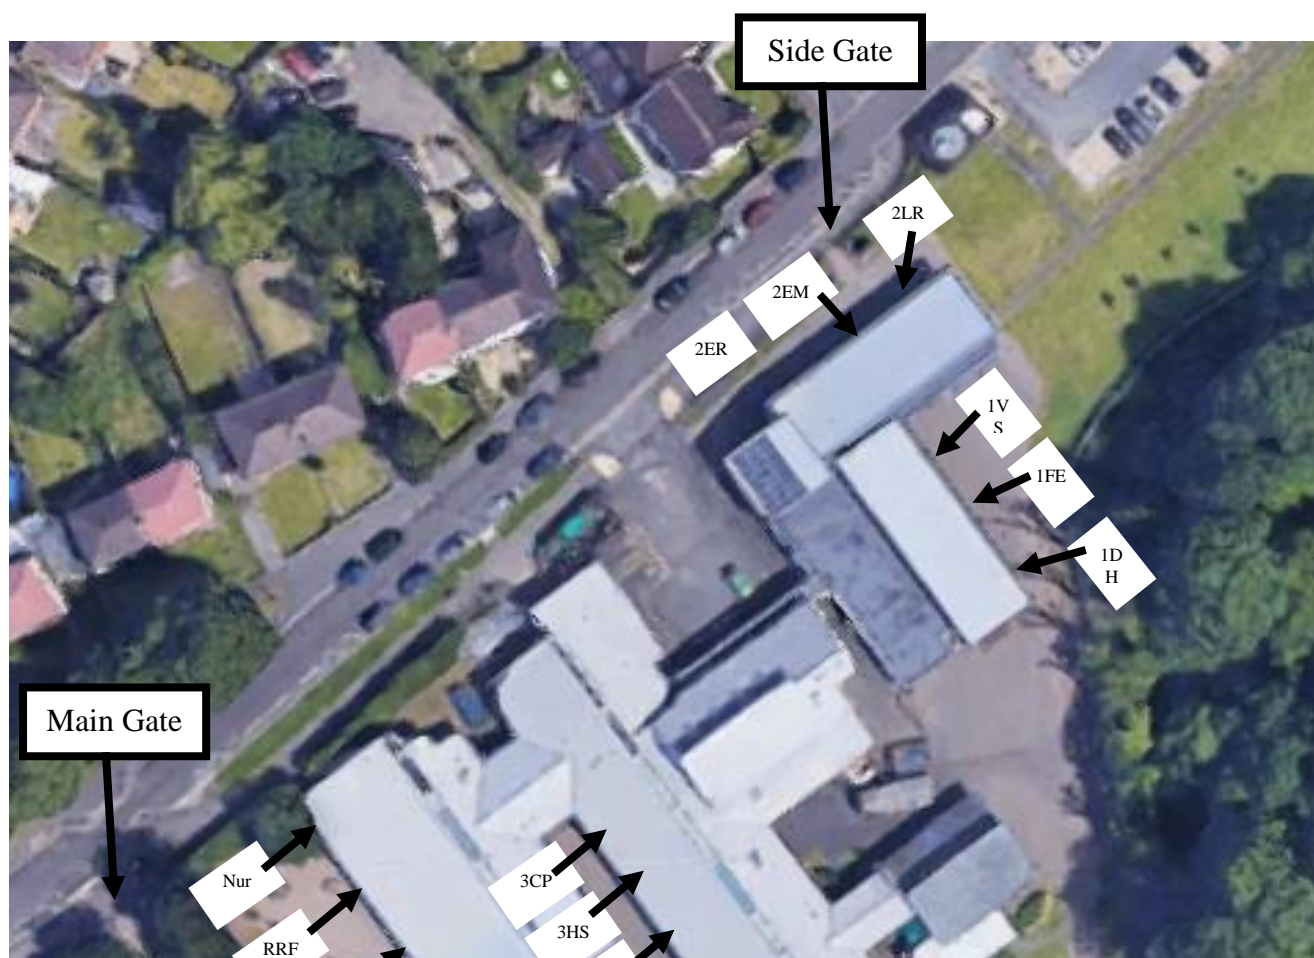

It has been very busy in the school during the holiday. There have been builders at the school fixing the roof and making the Reception and Nursery playground awesome.

The teachers have also been in the school getting the classrooms ready and planning lots of interesting and exciting learning for you. Wait until you see your classroom – it looks great. Don't forget the classrooms have moved around and if you can't remember where yours is Mr Munro and Mrs Shato will be in the playground to help you. We've also put a map on the back of this letter to help.

We can't wait to see you next week on Tuesday 3rd September.

Take care and see you soon.
